The trips that will be available to your child will depend on when your form is received.

Dear Parent/Guardian,
All of Us Care has begun planning our 2008 Summer Activities Program. In order to do this we need to know who is interested in participating. During the summer months, All of Us Care organizes and takes children ages 6-18 who live in the Fox Chapel Area School District swimming and on field trips. The amount of tickets we are able to obtain is dependent on the number of children who sign up. A registration fee of \$15 for one child or \$30 per family with multiple children is required. This is to cover the costs of our trips such as bus rental and swimming passes. Scholarships will be considered upon receipt of our Program Scholarship Family Application, asking for documentation of income. You can request one of these forms by calling our office at 412-782-6855. You will receive a schedule of activities and events once it becomes available.
